Dear Grange Academy,

I greet you in the name of Jesus Christ. I am well in health, together with my family. Are you well in health and your family? I am doing very well together with my family. How are you and your family doing? I, Sara, am in standard seven. I am doing very well with my studies. I love the science subject. Right now here in Tanzania it is a rainy season. How is the weather over there? Also, we are doing business activities of a shop; we sell various goods. What activities are you doing? Also, at Compassion we are taught very well physical, cognitive, social, and spiritual lessons, and I would like to give you an encouragement of the heart from the book of 1 Chronicles 29:11: "Yours, Lord, is the greatness and power and glory and victory and majesty. For all things in Heaven and on earth.

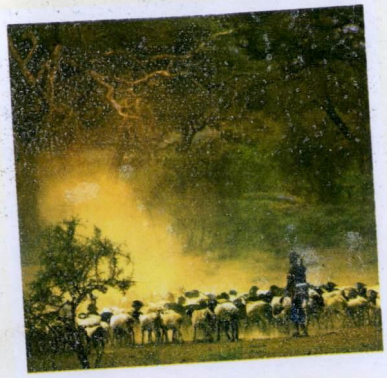

Yours, God bless you, my beloved.

Dorcus.
