Dear Parents/Carers

It was announced by the Government yesterday that school will be returning to normal for all pupils from **Monday 8th March**.

Transport will be arranged for the children entitled to it as normal from this date.

We will be keeping a staggered start and end to each school day. We ask parents dropping off and collecting their pupils, to do so at 8:40 and 3pm respectively.

On a Friday, school will continue to finish at an earlier time, to allow for deep cleaning and time for teachers to plan and prepare as classes will be kept in bubbles within one group. Those pupils being collected by parents are to be picked up at 12pm. Those pupils on transport will have lunch in school and will depart at 12:30pm. Therefore, they will be arriving home earlier via school transport.

We will be in touch with more information as and when we receive it and please do not hesitate to contact the school if you have any queries.

Yours sincerely
