Target audience	All Site Users
Associated policies/documents	<ul style="list-style-type: none"> • Health and Safety • Lockdown Policy • Safeguarding
Date approved by LAB	
Chair of LAB	Gill Lake
Head of School	Catherine Assink

Rationale

The purpose of these procedures is to provide instructions for staff in the event of an incident that requires whole school lockdown. These instructions should be read in conjunction with the school fire evacuation instructions, the school safeguarding policy and the school business continuity plan.

Lockdown procedures

Circumstances triggering a lockdown

Lockdown procedures are seen as a swift, sensible and proportionate response to any external incident which has the potential to pose a threat to the safety of pupils and adults at Grange Academy.

Lockdown procedures may be activated in response to any number of rare situations, these might be:

- A reported incident or disturbance in the local community (with the potential to pose a risk to our pupils and adults)
- An intruder on the school site
- A warning being received regarding an environmental risk locally, of air pollution (smoke plume, gas cloud etc)
- The close proximity of a dangerous animal

Members of the school community should be alert to the security of the school site and procedures for maintaining a secure site. They should also be aware of the guidance in Appendix A on how to respond to an attack: Run, Hide and Tell.

Alerting the school community

A unique, 'pulsing tone', lasting two minutes, is used to alert the school community to an attack. The alarm can be activated by the bell, which is located in the medical room, by the school HR Manager or Head of School. In their absence by a member of the School Office.

- Any member of staff who believes that they have seen an intruder should inform the school HR Manager or Head of School immediately, providing information about the situation. In their absence report to the school Office.
- If possible the Head of School should also immediately be informed or in their absence the Deputy Head of School.
- The Head of School makes the final decision to impose lockdown. In their absence the Deputy Head of School will make the final decision. The Head of School/Deputy Head of School will then consult with the Emergency Services if appropriate.
- If the decision is taken to impose a lockdown, the school HR Manager or Head of School will sound the 'pulsing tone' for two minutes.
- Due to the unpredictable nature of the event, it may not be safe or practical to contact the Head of School or school HR Manager. If a member of staff believes danger is imminent they should sound the pulsing tone immediately.
- Where possible, any staff or Pupils taking part on school trips or meetings out of school will be contacted by the Deputy Head of School immediately by mobile phone.

Response to lockdown alert

If the alert occurs during lesson time:

- All pupils inside the school should remain in their classrooms.
- Pupils participating in PE outside the school buildings should be brought in immediately and go to the nearest class room, but only if it is safe to do so. Staff with pupils should use their judgement. It may be safer to stay out of the school building and seek alternative exits to the school site, especially during a high risk incident.
- Pupils who are out of class at the time of the alarm should enter the nearest possible classroom, or if they are in the toilets escorted by the accompanying LSA to the nearest classroom.
- Pupils working in communal areas such as the school hall or Primary Group area, should enter the nearest classroom. Pupils working in either of the intervention rooms, should remain where they are.

If the alert occurs before school, during break or lunchtime:

- Staff should follow the guidance in Appendix A. Where it is safe to do so, staff insist pupils accompany them to seek alternative exits to the school site.

Once the pupils are inside the buildings:

- Pupils who are being taught in communal areas such as the school hall, must enter the nearest possible classroom in a controlled and calm manner.
- Classroom doors locked, where a member of staff with a key is present.
- Windows locked and blinds drawn where possible
- Pupils sit quietly out of sight such as under desks or around a corner.
- Staff should encourage pupils to keep calm and quiet at all times.
- Staff and pupils with a mobile phone on them, should turn them onto silent and turn off vibrate.
- If it is necessary to evacuate the building, the fire alarm will be sounded.
- Anyone who is out of a classroom when the alarm goes should enter the nearest possible classroom or follow the run, tell and hide procedure.
- Staff should then await further instructions. Staff should avoid unnecessary calls to senior management or reception as this could delay more important communication.
- Senior staff will conduct an ongoing and dynamic risk assessment based on advice from the Emergency Services.
- Staff and pupils remain in lockdown until it has been lifted by the Head of School or in their absence the Deputy Head of School, or the Emergency Services.
- The all clear signal will be the same pulsing sound and will sound for 30 seconds and then stop.

Training

- Staff informed about lockdown policy and will receive annual training.
- Staff training on the run, hide and tell practice (Appendix A).
- Pupils informed about lockdown procedures and will experience an annual practice drill.
- Information to parents in a newsletter that we have a lockdown policy.
- A number of table top exercises with the senior leadership team will be conducted, to test the procedures against a variety of scenarios.

Responsibility to review document

- The policy is reviewed once a year by the lead member of staff and agreed by the Local Authority Board. The policy will be shared with all staff.

APPENDIX A

Stay Safe

Firearms and weapons attack

'Stay Safe' principles (Run Hide Tell) give some simple actions to consider at an incident and the information that armed officers may need in the event of a firearms and weapons attack. Full guidance is contained on the NaCTSO website:

<https://www.gov.uk/government/publications/recognising-the-terrorist-threat>

Run

Escape if you can.
Consider the safest options.
Is there a safe route? RUN if not HIDE.
Can you get there without exposing yourself to greater danger?
Insist others leave with you.
Leave belongings behind.

Hide

If you can't RUN, HIDE.
Find cover from gunfire.
If you can see the attacker, they may be able to see you.
Cover from view does not mean you are safe – bullets go through glass, brick, wood and metal.
Find cover from gunfire eg substantial brickwork/heavy reinforced walls.
Be aware of your exits.
Try not to get trapped.
Be quiet, silence your phone and turn off vibrate
Lock/barricade yourself in.
Move away from the door.

Tell

Call 999 – What do the police need to know?
Location – Where are the suspects?
Direction – Where did you last see the suspects?
Descriptions – Describe the attacker, numbers, features, clothing, weapons etc.
Further information – Casualties, type of injury, building information, entrances, exits, hostages etc.
Stop other people entering the building if it is safe to do so.

Armed Police Response

Follow officers' instructions.
Remain calm.
Can you move to a safer area?
Avoid sudden movements that may be considered a threat.
Keep your hands in view.

Officers may

Point guns at you
Treat you firmly.
Question you.
Be unable to distinguish you from the attacker.
Officers will evacuate you when it is safe to do so.

Lockdown Procedures

Grange Academy

ALL ALARMS MUST BE TREATED AS GENUINE – NEVER ASSUME A DRILL OR FALSE ALARM

THE INTRUDER ALARM: is a **slow pulsing tone lasting two minutes.**

1

- Ensure all windows and doors are securely locked, including external doors where possible.
- Turn off the lights and close blinds where possible.
- Office Staff should securely lock their door and hide under their desks.

2

- Instruct pupils/visitors to get under the tables and to stay away from any windows/doors.
- Staff should also get under a desk and out of sight.

3

- Pupils who are out of class at the time, should enter the nearest possible classroom.
- Pupils in the toilets should remain inside and lock the cubicle door.
- Pupils working in the hall or primary area, should enter the nearest possible classroom.
- Pupils working in the intervention room should remain inside, lock the door and get under the desk.

4

- Staff undertaking external activities on the school site are advised to move the pupils to the nearest classroom if safe to do so. Staff will use their professional judgement, it may be safer to stay out of the school building and seek alternative exits to the school site.

5

- Remain in your secured area until the all-clear signal has been given. This is the same continuous sound for just 30 seconds.
