Tuesday 20<sup>th</sup> of April 2021

Dear Parents/Carers,

### **Coronavirus (COVID-19)**

Thank you for all your support over the last few months with regard to the changes that we have had to make due to the pandemic.

I would just like to remind you about the processes that we have in place to ensure that we are keeping everyone at Grange as safe as we can. As you are aware, if we are told that a pupil has tested positive on a lateral flow test, we will notify all families and staff who are in that support bubble that we have a possible Covid positive result.

We respectfully ask that you and your family follow National Guidelines and self isolate until a full PCR test has been completed and confirmed that the result is negative. Until you have confirmation of this, your family should not be meeting with other people or circulating in a public area, for example shopping, going to the hairdressers, socialising with other families. If you were positive but displaying no symptoms, you could be spreading the virus.

If you are sent a notification, please help us by isolating and retesting if necessary. This will not only keep you and your family safe but also help us to keep the school open for as much as possible. If you would like to discuss anything further, please do not hesitate to contact me.

Kind regards

Angie Morris

Acting Head of School
