Critical Incident Plan

Halsey Road, Kempston, MK42 8AU Tel: 01234 407100 www.grange.beds.sch.uk
Bedford Inclusive Learning and Training Trust has exempt charitable status, Company Number: 08156641

The purpose of this plan is to provide guidance for all members of the Grange Academy community who may be involved in a serious incident affecting the school. All persons need to be prepared and know what actions to take in the event of:

1. a critical incident
2. the school needing to be evacuated

1 A Critical Incident

An incident is deemed to be critical when it constitutes a serious disruption arising with little or no warning on a scale beyond the coping capacity of the school operating under normal conditions, and requiring the assistance of the Emergency Services and/or Bedford Local Authority and others.

Examples could include:

- death or serious injury as a result of violence, accident, self harm and/or sudden/traumatic illness
- major fire
- building collapse
- riot and/or civil disorder
- natural (excessive snow) and/or man made disaster
- terrorism
- missing person(s)/abductions

Incidents can occur:

- on the school site during school hours
- on school transport
- whilst the pupils are taking part in activities away from the school site
- on school premises as part of after school activities
- within the local community involving pupils from our school

The LGB of Grange Academy have established the plan in consultation with staff. The plan will be reviewed regularly by the LGB and Senior Leadership Team. The plan will be made available to all LGB and members of staff thereby ensuring that it is accessible both during and out of school hours, on and off the school site. A school critical incident management team has been identified with agreed roles and responsibilities. The team will initiate the critical incident plan when an incident is deemed to be critical by the Headteacher or other SLT. As soon as the incident is deemed critical, a log of events should be opened.

2 Evacuation of the School and Site

The Need

It may be that for various reasons, the school has to be evacuated. The school building, or part of it, may be declared unusable or unsafe by the Fire Warden or other competent person. It may be that the school is requisitioned by a competent person to be used as a base for residents in the case of a critical incident in the locality.

Action

The Headteacher (or designated deputy in her absence) will inform all staff that the building is unusable. The Headteacher will inform Catherine Assink (CEO and Executive Principle), she will also inform Bedford Borough, if appropriate.

Evacuation of Site

All staff (including those signed in in the visitors' book) and pupils will proceed to the assembly point on the playground. Registers will be taken to ensure that all pupils and staff are present.

Staff will then lead the school to the park. If needed, The Church of Transfiguration, Bedford Road, Kempston (opposite Addison Park) have allocated their premises as an emergency haven.

Contact with the public

STAFF MUST ON NO ACCOUNT TALK TO THE PRESS OR TO PARENTS.

Every inquiry must be referred to the Headteacher who will also liaise with the emergency services. Parents wishing to collect their children will be advised where to go from the control point and notices.

Deployment of Staff

TEACHING STAFF MUST STAY WITH THEIR CLASS AT ALL TIMES CALMING AND REASSURING THEM.

Remaining staff must report to the Headteacher. Duties to be undertaken by non-teaching staff (under instruction from the Headteacher) will include:

1. Informing parents by phone and requesting them to collect their children.
2. Manning checkpoint so that children and parents can be united.
3. Administering first aid/comfort.

Before this is actioned, staff must check with the Headteacher/Police as to names of casualties to ensure that those parents are not contacted by anyone other than the Police.

Release of Children from School

NO CHILD MAY BE TAKEN AWAY UNLESS THEY HAVE BEEN MARKED ON THE CRITICAL INCIDENT REGISTER SET UP FOR THIS INCIDENT

Staff may be with their class for some time and should seek to undertake calming and reassuring activities with their children. It may also be helpful to undertake activities that will take the children's minds off the situation as many may well show symptoms of mild shock.

Staff not with a class will be responsible for asking parents to collect their children from the appropriate place. Class teachers should only release a child via the assigned person. **STAFF MUST STAY IN PLACE** even when numbers grow less, unless directed by the Headteacher or incident leaders.

Checkpoint staff must ensure the identity of adults coming to collect children and ask for identification if necessary.

Health of Staff

Colleagues should be aware that staff are not immune from shock and should seek to be mutually supportive, reporting to the Headteacher any concerns they may have about each other. This will be of particular importance if the original or subsequent incidents involved serious injury or a fatality. Bereavement and Stress Counselling will be arranged by the Headteacher for both staff and children if required.

REMEMBER ALL ENQUIRIES ABOUT PROCEDURES SHOULD BE ADDRESSED TO THE HEADTEACHER WHO IS IN SOLE COMMAND OF THE ORGANISATION OF THE EMERGENCY.

IN THE EVENT OF THE HEADTEACHER NOT BEING PRESENT, THE DEPUTY HEAD OR MOST SENIOR MEMBER OF STAFF, WILL ASSUME HER DUTIES AND A NAMED MEMBER OF SUPPORT STAFF WILL STAY WITH THEIR DESIGNATED CLASS.

Phoning Parents

You should at all times seek to reassure parents keeping closely to this prepared script. Please do not elaborate or enlarge upon any details as this may increase alarm or may lead to litigation at a later stage.

You should only phone those people who you are told to phone.

You should say

“Good morning/afternoon. This is *your name* from Grange Academy. Is that Mrs/Mr *name of parent*? There is no cause for alarm but I am phoning to tell you that there has been an incident in school and we have had to leave the building. Your child has not been hurt and is safe and well.

***We have evacuated to Addison Park. Please would you come and collect your child as soon as possible from the checkpoint which is at the main entrance of the park.”**

(add to message if not parent) –

“Please bring some form of identification with you for use if required”

Intruder Awareness Procedures

- 1 Formal arrangements for identifying all visitors to school and providing visitors badges are in place within school.

- 2 Any person not suitably identified is to be challenged by any member of staff as to their reason for being on the school premises without appropriate identification. In the absence of a satisfactory response the matter should be reported immediately to the main school office and the person escorted to the office.

- 3 Should an unidentified person be acting in a suspicious manner their actions should be reported immediately to the main school office. If appropriate the intruder should be challenged by 2 members of staff, or if the circumstances warrant, the Police should be called using the 999 emergency system.

- 4 Staff should always arrange that all parents, visitors etc report to the main school office on arrival at the school. The fencing and gates at the front of the school prevent entry apart from by the main reception.

Appendix 5

Hostage Procedures

- 1 Having identified a hostage situation, the Police **MUST** be called immediately using the 999 emergency system. The caller should clearly advise the Police that we are a school and if children are actively involved in the incident.
- 2 Where possible and without the possibility of disturbance to the hostage situation, all staff are to be advised of the incident and students evacuated to a safe area.
- 3 Staff will be alerted to the need to 'lock down' the school by the signal of a unique, 'pulsing tone', from the school bell lasting two minutes.
- 4 No unnecessary dialogue is to be engaged in with the intruder(s) before the arrival of the Police. Any conversation evident should be recorded in writing for later evidence.
- 5 On arrival at school the Police will take full control.

Early Warning System

Grange Academy participates in the Early Warning System for the Kempston Schools/area. When there is a suspicious incident in the area, Bedford Road Lower School will phone Grange Academy to inform us. Grange Academy will then in turn phone St John's School and Greys education Centre to inform them. The information is then shared with staff and students where appropriate. This ensures swift sharing of information which could be important for students when travelling to and from school eg suspicious person trying to get a child into a car.

Closure of Kitchen Procedures

- 1 Any unexpected closure of the kitchen should be reported immediately to the main school office who will ensure that the Headteacher is aware of the action taken.

- 2 Dependent upon the circumstances and the time of day, arrangements should be made to ensure a meal of some description is made available to students. Emergency dinner arrangements are attached and St John's School kitchen has agreed to act as a backup.

- 3 The purchase of food or prepared meals from local contractors must first be authorised by the Headteacher.

- 4 If the closure of the kitchen is to be of a long term nature, parents are to be notified immediately of any change to the catering arrangements.

Robbery/Burglary

- 1 Once an incident of this nature has been identified, the Police should be advised.

- 2 The area in which the incident has occurred is to be vacated until the Police indicate it is available to use.

- 3 As assessment of damage and the appropriate value of stolen items is to be advised to the insurance company as soon as possible.

- 4 The welfare of staff and students is of paramount importance and assistance should be provided whenever anyone has been a victim of crime.
