

Grange Academy

Swimming Data Up to Summer 2023

Cohort

At Grange Academy all of our primary aged pupil have a diverse range of moderate learning needs and diagnosis including physical, cognitive, social and emotional and communication difficulties. All pupils have an Educational, Health Care Plan in place.

For some of pupils swimming is a provision not only to teach water safety and develop swimming technique but also to provide sensory therapeutic stimulation and to develop confidence, motor skills and key life skills.

Current swimming provision

Pupils from across the whole of our Primary department attend fortnightly swimming sessions, throughout the year at Bedford Modern Swimming facilities.

There were 47 pupils across Primary, with 13 pupils in Year 6.

Swimming Skill	Percentage of Pupils achieving ARE
What percentage of your current year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres when they leave your primary department at the end of the academic school year?	38.5%
What percentage of your year 6 pupils can use a range of strokes effectively (for example, front crawl, backstroke and breaststroke) when they leave your primary department at the end of the academic year?	15%
What percentage of your year 6 pupils can perform safe self-rescue in different water-based situations when they leave your primary department at the end of the academic year?	15%
Schools can choose to use Primary E and Sports Premium funding to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used the funds this way?	N/A
