Children's Mental Health Week	Miss Charnock joined the pupil parliament meeting to talk to the MPs about Children's mental health week and how we want to celebrate it hear in school. It was explained that there will be a selection of activities on Thursday afternoon which are being planned by a number of members of staff. Miss Charnock asked the MPs for their ideas on a fun/exciting activity to do in the assembly to launch the week of activities. The MP decided upon a Jelly Welly Race at the front of the hall. The MPs decided that all the male members of staff that would willing to take part would stand at the front. Whichever two got the loudest cheers would have to put on a pair of wellies filled with jelly and then race up and down the hall. They decided that the loser of the race would have the forfeit of a cream pie in the face.	Miss Charnock will take on board the ideas and will arrange the event.
