

11th June 2025

Dear Pupils,

In October you said you had lots of things you loved about Grange, especially friends, teachers, lessons and the animals.

You also had some great suggestions for our school. You asked for:

- More clubs including an after-school club and a 'girlie' club: **We now have All stars Youth Club and a 'girlie' club each week.**
- A trampoline: **We now have one!**
- A running club: **We have extra boxing, fitness and dodgeball which include running.**
- Quiet areas at lunch, ban football: **We can't ban it because some people like football, but we do have quiet zones and indoor clubs which lots of you use.**
- More non uniform days: **We have non uniform days on the last day of a half term, and for lots of special events.**
- A blue and yellow uniform: **It costs lots of money to have a new uniform, but you can wear blue and yellow on special days.**
- More animals: **We now have some degus, gerbils, mice and a pony!**
- More gardening and eco growing: **We now have a new eco aware allotment.**
- Chances to try something new: **We now have 'Do something different day', each half term.**
- New higher fences as low ones, make me scared: **These are all built.**
- Flavoured water at lunch: **This is very expensive, but we will have it as a treat for the last week of term.**
- Another Carnival and Fun day: **This is planned for 10th July.**

Things we are still doing:

- An archery club: **We will plan this for the autumn.**
- A sports hall: **This will cost nearly a million pounds. We must raise lots of money and ask the government to help us. We are doing this.**

Please keep on sharing your ideas. We will always do our best to make them happen.

Kindest regards

Mrs Timms and all the adults at Grange.
