Rationale

This policy describes our approach to meeting the requirements set out in:

- The Children and Young Persons Act 2008 - section 20, and section 20A inserted by section 5 of the Children and Social Work Act 2017
- Children and Families Act 2014
- The Academies Act 2010 - section 2E inserted by section 5 of the Children and Social Work Act 2017
- The Designated Teacher (DT) for looked-after (CLA) and previously looked-after pupils (PCLA) (England) Regulations 2018

Definitions

CLA are registered pupils that are:

- In the care of a local authority i.e. a child 'looked-after' by a local authority within the meaning of section 22 of Children Act 1989 or Part 6 of the Social Services and Well-being (Wales) Act 2014; or
- Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours
 - Children who are placed in foster care, children's residential homes, with relatives or friends, in semi-independent or supported independent accommodation.
 - Children subject to a Care or Interim Care Order whilst placed with a parent, where the LA has parental responsibility.
 - Children who are not subject to an order but are accommodated by the LA (under Section 20 of the Children Act 1989) in agreement with their parents.

Previously looked-after children are registered pupils that fall into either of these categories:

- Children who are no longer looked after by an LA in England and Wales because they have either been adopted or are the subject of an adoption, special guardianship or child arrangements order.
- Children who were adopted outside England and Wales from 'state care' (care that is provided by a public authority, religious organisation, or other organisation whose main purpose is to benefit society).

As a school, we are committed to do all that we can to promote the educational achievement and wellbeing of CLA and PCLA pupils.

Our Designated Teacher for Children who are Looked After is **Angela Morris**

Our Designated Trustee for Children who are Looked After is **Ian Lindsay**.

The school recognises that the provisions outlined in this policy must be in place regardless of whether there are any CLA or PCLA pupils currently on the school roll.

Roles and Leadership responsibilities

The Headteacher is responsible for:

- Appointing the designated teacher for CLA and PCLA who is fully qualified

- Allowing the designated teacher the time and facilities to succeed in carrying out their duties and has received appropriate training
- Ensuring that appropriate staff have the information and training they need in relation to each looked after child
- Monitoring the number of CLA and previously-CLA in the school and their legal status (i.e. whether they are looked after under voluntary arrangements with consent of parents or on an interim or full care order) and contact arrangements with birth parents or those with parental responsibility.
- Care arrangements and the levels of authority delegated to the carer by the LA.
- Ensuring that staff have the skills, knowledge and understanding to keep CLA and previously-CLA safe.
- Ensuring CLA and previously-CLA have equal access to all areas of the curriculum and that reasonable adjustments are made, if necessary.
- Reviewing the annual report produced by the designated teacher to evaluate the progress of CLA in the school.
- Overseeing this policy and monitoring its implementation, feeding back to the governing board annually on the following:
 - An analysis of assessment scores as a cohort, compared to other pupil groups
 - The attendance of CLA and PCLA, compared to other pupil groups
 - The level of suspensions and permanent exclusions, compared to other pupil groups
 - Ensuring all members of staff are aware that supporting CLA is a key priority.
 - Ensuring that all staff have a good understanding of barriers that pupils may face and how to support them to overcome these.
 - Ensure that a trauma-informed approach is consistently used to support children, whilst still upholding high expectations and ensuring safeguarding for all pupils and staff in the school.
- Promoting the advantages of actively challenging negative stereotypes of CLA

The Designated Teacher:

The responsibilities of a Designated Teacher are outlined in the DfE's statutory guidance. The designated teacher (DT) has lead responsibility, but individual tasks may be appropriately delegated. Our DT takes lead responsibility for:

- Acting as a central point of initial contact within the school for any matters involving CLA and PCLA children.
- Promoting the educational achievement of looked-after and previously looked-after children at our school and monitoring progress
- Working with social workers, other professionals and the Virtual School to promote the educational achievement and wellbeing of every looked-after and previously looked-after child on the roll
- Acting as a source of advice, ensuring that teachers have awareness and understanding of the specific needs of looked-after and previously looked-after children and how these impact on all areas of life e.g. behaviour, attendance, homework and future career planning
- Ensuring that they and other staff can identify signs of potential mental health issues in looked-after and previously looked-after children and understand where the school can draw on specialist services
- Implementing mechanisms for understanding the emotional and behavioral needs of looked after and previously looked-after children e.g. formal assessment Thrive, Boxall, SDQ alongside more informal information gathering
- Development and implementation of looked-after children's PEPs (Personal Education Plan), ensuring that they meet pupils' needs by working closely with other teachers and professionals to assess each child's specific strengths, needs and provisions
- Ensuring the identified actions of PEPs are implemented: monitor and track the progress of CLA children and review as part of the PEP. If a child is not on track to meet their targets, plan intervention as part of the PEP

- Ensuring the SEND code of practice, as it relates to looked-after children and previously-looked-after children, is followed, working closely with the SENCO to ensure that special educational needs are identified and appropriate support is put in place
- Contributing to the development and review of whole school policies to ensure they consider the needs of looked-after and previously looked-after children
- Promoting a culture in which looked-after and previously looked-after children are encouraged and supported to engage with their education and other school activities.
- Working directly with looked-after and previously looked-after children and their carers, parents and guardians to promote good home-school links, support progress and encourage high aspirations
- Leading on the planning of pupil premium plus spending, monitoring the impact
- Working closely with the school's designated safeguarding lead (DSL) to ensure that any safeguarding concerns regarding looked-after and previously looked-after children are responded to quickly and effectively
- Liaise closely with the virtual schools' team
- Ensure effective transition both within the school and beyond
- Ensure all CLA and PLAC pupils have a key adult with designated time to talk

Trust Board and School commitment to Enhanced Support for CLA and PCLA Pupils

The Trust Board and School will ensure:

- High quality learning opportunities and education are provided for all our pupils
- Equality of access to opportunities and learning outcomes for all. We recognise that CLA and PCLA pupils can be especially vulnerable and are sometimes 'at risk' of failure in the learning context so take action to mitigate this
- A suitable member of staff appointed as the designated teacher for looked-after and previously looked-after children
- Staff, parents, carers and carers are aware of the identity of the designated teacher, how to contact them and what they are responsible for.

Therefore, with specific reference to this cohort of pupils we will strive to achieve the following aims:

- To ensure that all CLA and PCLA pupils have access to a broad, balanced and stimulating curriculum
- To provide personalised learning and curriculum appropriate to needs and ability
- To support and monitor social progress, ensuring key adults prioritise respectful and responsive relationship building with individual children and provide appropriate support for social development within the peer group
- To ensure that CLA and PCLA pupils receive a full 25 hours of education each week
- To ensure that CLA and PCLA pupils take as full a part as possible in all school activities and strive to reduce and eliminate any barriers that may stop them from taking part (CLA children will continue to be offered a full-time place in school if a further lockdown of school due to COVID were to occur.).
- To ensure that carers, social workers and parents (as appropriate) of CLA and PCLA pupils are involved and kept fully informed of their child's progress and attainment
- To ensure that wherever appropriate, CLA and PCLA pupils are involved in decisions affecting their learning, the plans for progress and future provision
- To ensure that success is appropriately recognised and reinforced
- To ensure that any emerging concerns are followed up in a timely way with skill and sensitivity (e.g. changes in patterns of behaviour and attendance)
- To liaise and cooperate with appropriate partners, in particular the appropriate Virtual School team, to ensure that all plans complement and support the promotion of the educational achievement and wellbeing of CLA pupils. We recognise that the Virtual School do not monitor PCLA pupils, but that they can provide advice and guidance

- To ensure all school policies and procedures are followed sensitively for CLA and PCLA pupils

Safeguarding Commitment

At BILTT we fully recognise the contribution we can make to protect children and support pupils in school and beyond. We are fully committed to safeguarding our pupils through prevention, protection and support. We are also committed to actively promoting the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs; the pupils are encouraged to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. It is our duty to protect children and young people against the messages of all violent extremism and to prevent terrorism. Any concerns are referred using My Concern to the Designated Safeguarding Lead.

Admissions to our School

- The Trust Board supports the School Standards and Framework Act 1998 in that 'Children in public care have the highest priority in their admission arrangements'
- The Trust Board supports the statutory guidance that CLA and PCLA pupils are exempt from the fair access protocol
- Sometimes care placement changes lead to CLA and PCLA pupils entering school mid-term or mid-year if this is thought to be in the best interests of the child. The school will ensure that in these circumstances CLA and PCLA pupils will be admitted to the school in

a timely manner, even if this would mean that this would increase class sizes above the recommended maximum. As necessary, schools will give a positive welcome, plan entry, offer additional support and pre-entry visits to help pupils settled into school

- The appropriate Virtual School will work with the school when a pupil is leaving to ensure that it is made as positive an event as possible e.g. leaving events, farewells, information transfer etc.

Inclusion and Allocation of Resources

- Our policy recognises that all pupils are entitled to a broad, balanced and stimulating curriculum and learning programme
- For CLA and PCLA pupils, there can often be a need to develop learning opportunities emphasising personalised planning and planned inclusive approaches. This is especially pertinent as our pupils all have severe or profound and multiple learning disabilities
- The Trust Board will ensure our school makes all appropriate learning provision for CLA and PCLA pupils. Resources are allocated in line with this policy and with our wider school teaching and learning policies and good practice
- The Pupil Premium Plus funding allocated by the Head of the Virtual School will be used to support the individual learning programmes of the CLA pupils in the school, especially considering our pupils' severe or profound and multiple learning disabilities. Use of the Pupil Premium Plus will be discussed and monitored as part of the PEP process to ensure it is the most appropriate use for the individual pupil and to show impact on learning
- The Pupil Premium Plus funding for PCLA pupils allocated through census processes will be used to support the individual learning programmes of the pupil, especially considering our pupils' severe or profound and multiple learning disabilities

Personal Education Plan (PEP)

A PEP is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen to support the needs of the child, set targets and identify and put in place support to ensure the child reaches their full potential. The PEP is updated termly by the designated teacher with support from social care, the Virtual School and the child's carer/family. Copies of pupils PEP and relevant meeting notes are logged on My Concern and shared with all professionals involved.

The Designated Teacher will ensure that:

- A looked-after child's PEP is reviewed at least three times a year and kept up to date so that it informs review of their care plan
- PEPs are effectively completed so that they give clear information about a child's strengths and difficulties and give a clear plan for how needs will be met
- Make sure PEPs work in harmony with any education, health and care (EHCP) plans that a looked- after child may have
- The PEP process is used to agree how pupil premium funding for looked-after children can most effectively be used to improve their attainment. Further top-up funding can also be applied for if required.
- The updated PEP is electronically passed to the child's social worker and VS representative within 2 weeks of the PEP meeting and submitted to the Virtual School's Head. A copy is saved on My Concern with any additional minutes
- PEPs are transferred to a child's next school or college, making sure it is up to date and that the local authority responsible for looking after the child has the most recent version

Monitoring the Progress of CLA and PCLA Pupils

- Progress for CLA and PCLA pupils in school is identified, monitored and supported, and is

guided by school policies for teaching and learning

- We will monitor and track the achievement and attainment of CLA and PCLA pupils at least termly. For CLA pupils, this will be formally reported to the Virtual School and shared with partners through the PEP process
- The PEP is important to the planning and monitoring of education for CLA pupils and governors are aware that they are statutory school documents. The PEP will complement and reflect the high levels of personalised support that is already in place, such as Pupil Passport document and EHCP
- The DT, working with the Virtual School if necessary, will ensure there is a PEP in place for all CLA pupils in school
- The DT will liaise with the Social Worker to ensure a PEP meeting takes place within statutory timelines and ensure the attendance of appropriate staff
- PEP processes will meet the requirements of the appropriate Local Authority, e.g. PEPs for Bedford Borough pupils will use the e-PEP system

Attendance and Exclusion

- The school will monitor the attendance of CLA and PCLA pupils and will notify all appropriate partners at an early stage if there is an indication that problems with attendance might occur
- Bedford Borough Council have a contract with Welfare Call Limited. A member of the Welfare Call team will call the school daily to ascertain attendance of CLA pupils. The school will ensure this information is provided promptly and accurately
- The school will take all reasonable steps to ensure that suspension is rarely used for CLA and PCLA pupils and is always only as a last resort, after all other avenues have been explored. The school will advise the Virtual School if there is a possibility of exclusion and discuss options with the appropriate support professionals
- The school will make arrangements for first day provision for any excluded CLA and PCLA pupil, as it would for any pupil after day 6 of exclusion

Record Keeping and Information Sharing

- The DT will coordinate record keeping for all CLA and PCLA pupils
- Records will include, up to date progress and attainment records, PEP planning records and personalised information relating to care context as appropriate. These records will be maintained confidentially in a single place on My Concern
- CLA and PCLA pupils' status is appropriately 'flagged' in school management information systems (including SIMS), ensuring information and planning records are readily available as required
- The DT will ensure there is ready access to information and up to date contact details for carers, parents (where appropriate), social worker and the named contact in the Virtual School team
- All appropriate records will be forwarded to the receiving school promptly if there is a transfer to another school
- Sensitivity is a priority in sharing information with members of the school staff team. We are guided by best practice and a 'need to know' basis
- Any incidents of bullying of the CLA and PCLA pupils or by the CLA and PCLA pupils will be formally recorded and noted in the PEP and review processes

Appointments within Staff and Trust Board

The school will adhere to the statutory requirement to appoint a DT for CLA and PCLA pupils. This person will be a qualified teacher and ideally a senior person within the school.

- All staff and governors have a responsibility for the educational achievement and wellbeing of CLA and PCLA pupils. The work of the DT is to lead in this area, but they do

not hold sole responsibility

Staff and Trustees' Development and Training

- The DT makes particular efforts to develop good awareness and understanding of issues, guidance and developments associated with the CLA and PCLA context. The DT disseminates knowledge and skills to colleagues in school as appropriate and necessary. Partnership working and collaboration with the Local Authority and the Virtual School team is essential here
- There is a specific statutory expectation that the DT will maintain and extend their personal expertise
- A Designated Trustee will attend appropriate briefings and relevant development opportunities provided by the Local Authority and the Virtual School

Partnership Working

We commit to developing proactive positive partnerships with other agencies, recognising their impact. Our partnerships are extensive; including: Virtual Schools, Social Care, Family Support Workers, Education Psychologists, Paediatricians, school nurses, SEND teams, CAMHS, Education Welfare Officers, locality teams and advocacy services

To enable the school to respond effectively to the needs of CLA and PCLA children the DT will:

- Discuss with social workers how the school should engage with birth parents, and ensure the school is clear about who has parental responsibility and what information can be shared with whom
- Be open and accessible to parents and guardians of previously looked-after children and encourage them to be actively involved in their children's education
- Be proactive in
 - Finding ways of making sure the latest information about educational progress is available to contribute to the statutory review of care plans
 - Ensuring mechanisms are in place to inform VSHs when looked-after children are absent without authorisation and work with the responsible authority to take appropriate safeguarding action
 - Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption
 - Making sure that, if a looked-after child moves school, their new designated teacher receives any information needed to help the transition process
 - Seek advice from VSHs about meeting the needs of individual previously looked-after children, but only with the agreement of their parents or guardians

For each looked-after child, all staff will work together to make sure:

- There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress
- School procedures are communicated to their carer and social worker and, where appropriate, birth parents
- Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips and which family members a pupil can have contact with or information shared with
