▪ you think our rewards are good

▪ you like the animals

You gave me some good ideas to make Grange even

better:

☐ buying electronic books

☐ buying a new minibus

☐ planting more trees

☐ buying a swing and spider climbing frame

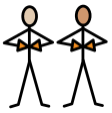
These will all be done before the summer holidays. Thank you

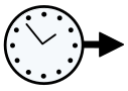
for suggesting these.

 You asked me to stop the field being flooded. I

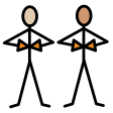
am working with people to help.



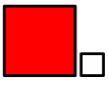
You asked for some other things which we cannot do. I

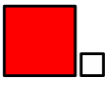


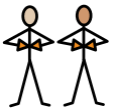
will explain why.



1. you want a horse to ride - we do not have a







big enough paddock for a big horse; we can explore

visit a stable for this.
